

IBNE SINA COLLEGE
Summer Vacation Home Work - 2017
Class O'3

English:

1. Write an original short story on:
 - (a) A message that was misunderstood
 - (b) "I swallowed nervously, trying to ignore the faces of those watching me, and began."
2. Describe the sights, sounds and activities at the end of a day's work.
3. Read as many short stories (only) as possible.
4.
 - (a) Recently a small child, who was lost, was found wandering near a dangerous road and was rescued and taken back home safely by a stranger, who walked away without giving a name.
As a newspaper reporter, write an article on the incident which must include the following points.
 - ★ when and where the incident happened
 - ★ a brief description of the child
 - ★ how the stranger was able to help and a request from the helpful stranger to contact the child's parents by telephone.You may add further details but remember that newspapers do not have space for long, exciting stories.
 - (b) You recently enjoyed a day out with your family. It was a very enjoyable occasion but there was one aspect of the day that disappointed you very much. Your teacher asks you to speak to your class about your day out.
Write your speech. You must include the following:
 - ★ exactly when and where the outing took place
 - ★ the main purpose of the day and why the day was mainly successful
 - ★ the one aspect that disappointed you and how far your family agreed with youYou should add further details if you wish and make your speech lively and interesting for your audience.

Mathematics

Book 4

Chapter 7
