May 2018

Dear Parents,

The much awaited summer holidays are finally here. Now is the time for you and your children to relax and enjoy but remember "All play and no work makes us lazy and slow". Here are a few suggestions which I hope you will encourage your children to follow. These will add to their enjoyment as well as their knowledge and vocabulary.

- (1) Encourage your children to read as many story books as possible. School library will be open from 9.00 am till 11.00 am in the Summer Vacations for classes IV to O'3.
- (2) Do not let them give up the habit of speaking in English so that when they come back to school they are more fluent in the language.
- (3) Encourage them to do the homework themselves in the month of July so that it remains fresh in their memory. Give guidance to them where necessary but remember that it should be their work not their parents.
- (4) Doing this home work is compulsory for all students. It will be checked and graded.
- (5) During the month of August all work done before Summer Vacations should be revised in written form in the Home Practice Copy.
- (6) Children should use the Internet / You Tube for increasing their knowledge about topics that they are studying in school instead of playing games only.
- (7) All project work should be done by the child himself. Parents should only help where required.
- (8) Holidays homework will be uploaded on the school's website. In case you loose the soft copy you can get it from there.

Science

Summer Vacation Homework, 2018

Class: I

Take 2 coloured A4 sheet. Fold into quarter to make a small booklet. Draw/stick pictures of Wild/Farm/Pet animals and write a few lines about them.

## IBNE SINA COLLEGE

S. Studies

Summer Vacation Homework, 2018

Class: I

Take half of a chart paper. Then divide it into two portions. (Don't cut) On one side draw/stick pictures about city life and on the other half about village life. You may use different kinds of papers, magazine cut outs, stickers, plastic animals, small toy cars to make it look real.
