

### History

- Project 1:** Prepare a 3-D model showing life in the Indus Valley Civilization. (Use Ch. 3 for information)
- Project 2:** Read about polytheism and monotheism on the internet on an A4 sheet, define both and name the religious that fall under each category. Also explain the features of any two civilizations that believed in polytheism. (10 features each)

### Geography

- Project 1:** On the map of Pakistan show the cultivated areas of Pakistan where wheat, sugarcane and cotton are grown.
  - ★ Label these areas on the map of Pakistan.
  - ★ Make a key of the map.
  - ★ Write three sentences about each crop.
- Project 2:** Collect and paste pictures of natural vegetation of Pakistan from different areas. (at-least 10)
  - ★ Name them and write 2 sentences about each type of vegetation.
  - ★ Label the natural vegetation of Pakistan on the map of Pakistan. (Take help from textbook or Atlas)

### Islamiat

- Project 1:** Watch the movie "Muhammad The Last Prophet" Link: <https://youtu.be/v34W7jXhq1A>  
 Make a small booklet using A4 size coloured sheet (folded in half). Draw its cover and write short notes on the following topics:
  - ★ Prophet Muhammad (pbuh) becomes an Orphan
  - ★ Prophet Muhammad (pbuh) in Makkah in Care of an Uncle
  - ★ Prophet Muhammad (pbuh) Acts as Caravan Agent for Wealthy Tradeswoman, Hazrat Khadija
  - ★ Prophet Muhammad (pbuh) Receives First Revelation
  - ★ Prophet Muhammad (pbuh) Takes His Message to the people and their reaction
  - ★ Prophet Muhammad (pbuh) and the Muslim Emigrate to Madina
 You can use the following link as well: <https://www.pbs.org/muhammad/learningtools.shtml>  
<https://en.wikipedia.org/wiki/muhammad>
- Project 2:** Make a project on self-control, giving information about the following points, also draw pictures and add quotes.
  - ★ What is self-control?
  - ★ How does it help us?
  - ★ 4 types of self-control
